4.0 Purpose and Overview

Property Standards Order #055-22 was issued in accordance with Chapter 465 – Property Standards of the City of Brantford Municipal Code (Chapter 465) to the owner of 225 Park Ave., Brantford. An appeal was filed by an owner in accordance with Section 15.3 of the *Building Code Act, 1992*. Details of the investigation are provided herein to support the issuance and contents of the Property Standards Order for consideration of the Property Standards Committee.

5.0 Background

Chapter 465 is primarily enforced on a reactive basis to complaints received by the Building Department. Upon receiving a complaint, staff will investigate to determine the validity of the complaint. Should violations be observed, efforts are made to contact the owner to gain compliance. When compliance does not result or efforts to comply cease, a Property Standards Order is issued to the owner requiring compliance with Chapter 465. A copy of the Order is then sent to all impacted parties with an interest on title. This procedure was followed pursuant to the issuance of Order #055-22, and presently the property remains in non-compliance.

In this particular case, on March 23, 2022 Senior Officer Jordan Tozer attended the property and observed the following:

- a. Front porch soffit missing/damaged
- b. Front roof fascia missing/damaged
- c. Left eaves trough in disrepair
- d. Right front downspout in disrepair
- e. Front porch eaves trough incomplete/damaged
- f. Right dormer soffit/fascia damaged/large hole
- g. Rear left soffit and fascia damaged/missing
- h. Front left porch support foundation in disrepair
- i. Rear left fence is not plumb/is leaning
- j. Roof shingles lifting/peeling
- k. Right side-door is missing steps
- l. Rear shed in disrepair, leaning/bent
- m. Right front porch roof support is in disrepair, rotted
- n. Front screen door handle missing/damaged
- o. Front stairs missing hand rail

As is standard practice, a preliminary letter was sent April 20, 2022 to the property owners detailing the requirement to repair the building as required in Chapter 465. The building in question is a 2-story brick residential house. A re-inspection was conducted on May 5, 2022 where Officer Tozer observed the property in the exact same state as the initial inspection conducted on March 23, 2022.

6.0 Corporate Policy Context

The report was reviewed within the context of the Municipal Strategic Plan, Goal #2 – Long Term Desired Outcomes, where Brantford will be recognized as a safe, healthy community – one that promotes and enables the wellbeing of its citizens.

7.0 Input From Other Sources

The City of Brantford Legal Department assisted in establishing the ownership of the property in question.

8.0 Analysis

Due to the property remaining in its non-compliant state with no progress towards remedying, it was the decision of the Building Department to proceed to issue the applicable Property Standards Order. A request was then made to the City's Legal and Real Estate Department to undertake a title search to confirm ownership. This information was returned on May 5, 2022 which showed the subject property known municipally as 225 Park Ave., Brantford, Ontario to be owned by Melissa Sue Beemer, George Alvin Beemer, Catherine Ann Marie Beemer of Brantford. Accordingly, Property Standards Order #055-22 was issued May 9, 2022 to the registered owner, detailing the requirements to repair the building.

A Notice of Appeal was filed by the owners on May 27, 2022. At the writing of this report, the property remains in violation of both the issued Property Standards Order and Chapter 465.

9.0 Conclusion

Property Standards Order #055-22, which is the subject of this appeal, was issued in accordance with Chapter 465. The order remains valid and the property to which the order pertains remains non-compliant with Chapter 465. Staff recommend that the appeal filed by Melissa Beemer owner of 225 Park

Ave., Brantford, Ontario regarding Property Standards Order #055-22 be
CONFIRMED and UPHELD by the Property Standards Committee.
