**Re:** Circulation of the Heritage Impact Assessment for 316 West Street (File SPC-16-22) for Review and Comment

---

The City of Brantford has received a Site Plan Control Application for 316 West Street. The application is adjacent to 314 West Street, which is a non-designated, listed property on the City's Heritage Register. The site is also adjacent to 311 West Street which is proposed to be listed on the City's Heritage Register. Therefore a Heritage Impact Assessment was required to support the application.

The Heritage Impact Assessment is being circulated to the Brantford Heritage Committee for review and comment. Staff provides the following recommendation to the Brantford Heritage Committee should it have any comments on the study:

*"THAT the following comments regarding the Heritage Impact Assessment for 316 West Street (File SPC-16-22) BE FORWARDED to Staff:*
