Re: Earth Week Delegation to Brantford City Council

Ref: March 26th Council meeting

To: Members of Brantford City Council

The Brantford / Brant Earth Week Committee was formed in August 2007 to:

- a) Promote / encourage / sponsor some local environmental events on or around April 22nd – Earth Day
- b) Catalogue local events

2019 marks the 49th anniversary of Earth Day and Earth Week this year is April 22nd to April 28th. At the March 26th Council meeting, proponents will outline some of the events that will be occurring during Earth Week.

We would ask that Council continues to support and endorse the event taking place during Earth Week.

On behalf of the Earth Week Event Committee,

Chuck Beach
