THAT Report No. 2023-512, titled “Review of Seniors Ride Free Month (June 2023)” BE RECEIVED.

12.1.6 Gender-Based and Intimate Partner Violence

WHEREAS More than 46 municipalities and regions including the Cities of Toronto, Ottawa, Burlington, Windsor and London, along with Peel, Durham and Halton Regions, Lanark County, and Renfrew County) across Ontario have declared a gender-based violence and/or intimate partner violence epidemic; and

WHEREAS by declaring gender-based violence and intimate partner violence an epidemic, The City of Brantford can join the growing number of municipalities and regions in Canada in demanding action from all levels of government to address this growing epidemic; and

WHEREAS the incidences of gender-based violence and intimate partner violence increased exponentially throughout the COVID-19 pandemic and have not decreased, while funding to provide the growing demand of services and support for victims and survivors of intimate partner and gender based violence has not kept pace; and

WHEREAS The City of Brantford had the highest number of police reports for Intimate Partner Violence in Ontario, and the 4th highest municipality in Canada in 2018; and

WHEREAS Nova Vita answered over 4,500 crisis and support calls in 2022, and in the same year, 648 women who were seeking safe shelter from family violence were turned away because the shelters were full and had no bed space to offer them. This number doesn’t include their children; and

WHEREAS In Ontario last year, a woman was killed every week(52 femicides in 52 weeks) and, In Canada, a woman was killed every 2 days; and

WHEREAS 30% of women report having experienced a sexual assault since the age of 15, and 44% of women report having experienced some form of intimate partner violence (IPV) in their lifetime; and

WHEREAS Gender-Based Violence impacts individuals, families, and communities, and it also places a costly burden on the health, social, and justice systems. In 2009, it was estimated that IPV had an economic cost of \$7.4 billion annually and sexual violence a cost of \$4.8 billion annually; and

WHEREAS The Crisis hotline calls are up 600% from previous, and the funding and volunteerism is at an all time low.

THEREFORE, BE IT RESOLVED:

- A. THAT The City of Brantford Council DECLARE Gender-based violence and Intimate Partner Violence an epidemic in the City of Brantford; and
- B. THAT The City of Brantford Council RECOMMEND that gender-based violence and intimate-partner violence be declared an epidemic in the Province of Ontario; and
- C. THAT The City of Brantford Council REQUEST that Femicide be added as a term to the Criminal Code of Canada and state its position to the Honourable Arif Virani, Minister of Justice and Attorney General Canada, and the Prime Minister of Canada; and
- D. THAT The City of Brantford Council REQUEST that the Federation of Canadian Municipalities (FCM), the Association of Municipalities of Ontario (AMO) and all municipalities and regions in Ontario declare a gender-based and intimate partner violence epidemic across the country; and
- E. THAT The City of Brantford REQUEST that the provincial and federal governments rightfully declare intimate partner and gender-based violence an epidemic and enact the additional 85 recommendations from the inquest into the 2015 murders of Carol Culleton, Anastasia Kuzyk and Nathalie Warmerdam in Renfrew County, Ontario, which provide a roadmap to preventing intimate partner violence from escalating to femicide; and
- F. THAT The City of Brantford REQUEST that the provincial and federal governments provide the necessary support to municipalities, regions and their emergency and social services to meaningfully address the gender-based violence and intimate-partner violence epidemic; and
- G. THAT staff BE DIRECTED to consult with community organizations in the development of a Community IPV Action Plan, to be provided to City Council prior to March 31 2024, and that this plan include:
 - i. Input from community organizations regarding needed resources to address the local IPV epidemic
 - ii. Community-wide awareness campaign to highlight local IPV impacts and available supports
 - iii. Evidence-based approaches to engage and support youth who at risk of experiencing or committing IVP
 - iv. Opportunities for Brantford City Council to support and advocate for community organizations that are addressing this epidemic
- H. THAT a copy of this resolution BE FORWARDED to the MP, MPP and Brant County Health Unit.

12.1.7 Review of Mandatory Treatment Programs, Correction Facilities and Legislation - Councillor VanTilborg

WHEREAS addressing the incidence and impact of homelessness is a priority of Brantford City Council; and

WHEREAS the City is taking a number of steps to enhance programs to support homeless individuals including warming and cooling centres,

increased encampment response, access to washrooms and hygiene stations, health care partnerships, and homeless shelter services; and

WHEREAS local organizations continue to develop innovative and collaborative solutions to support individuals and families; and

WHEREAS the causes of homelessness can be complex and unique, with one of the primary causes being undiagnosed and / or untreated mental health and addiction issues; and

WHEREAS homelessness shelters cannot provide the level of care needed by individuals experiencing acute and / or chronic mental health or addictions challenges; and

WHEREAS individuals experiencing untreated or undiagnosed acute and / or chronic mental health or addictions challenges are at higher risk to themselves and other members of the community; and

WHEREAS every individual deserves the opportunity for treatment and recovery; and

WHEREAS mandatory treatment options can be effective for individuals experiencing cognitive challenges that are a barrier to self-initiated treatment; and

WHEREAS over the past 20 years, changes to legislation have restricted the use of mandatory treatment, even when requested by health care professionals, police, court officials or family members; and

WHEREAS past practices within mandatory treatment centres were identified as harmful to individuals, new advances in the understanding, treatment and root cause of mental health and addiction represents an opportunity to review current treatment options; and

WHEREAS institutions like the former Burtch Institution provided greater deterrence and accountability for minor offences, the nature of which are and have been on the rise in Brantford for some time,

NOW THEREFORE BE IT REVOLVED:

- A. THAT The Brantford City Council REQUEST that the Ministry of the Attorney General, in collaboration with the Ministry of Health and Ministry of Long-Term Care, review the Mental Health Act, 1990 and the Health Care Consent Act to determine options for effective and compassionate mandatory treatment for individuals who cannot receive proper care through non-mandatory treatment regimes, and that this review include a comprehensive consultation with the Association of Municipalities or Ontario; and

- B. THAT The Brantford City Council REQUEST that the Ministry of Public Safety, Democratic Institutions and Intergovernmental Relations create an institution similar to the former Burtch Institution in the Brantford area to provide the necessary deterrence and accountability for crime in the community; and
- C. THAT a copy of this resolution be forwarded to the the Honourable Doug Downey, Attorney General, the Honourable Stan Cho, the Minister of Long Term Care, the Honourable Sylvia Jones, Minister of Health and the Minister of Health and Long-Term Care, the Honourable Dominic Leblanc, Minister of Public Safety, Democratic Institutions and Intergovernmental Relations, AMO, OBCM, MP and MPP.

Respectfully submitted, Councillor Sicoli
