

Report to the Brantford Municipal Airport Board

Meeting: Dec 9, 2024

Current

-Construction on T-Hangars continues. We'll take regular aerial photos so the Airport Board can track progress (attached.)

-Background work on infrastructure for the appraisal continues as Airport staff works with City staff.

-The perimeter fence is still waiting on a few gates to be installed.

-Equipment has been prepared for winter operations. First snowfall and airport plowing went well.

-Airport and facilities staff continue to coordinate with the City's survey team. Crews will be on site this week to lay some of the groundwork for annual obstacle checks.

Coming Up

-The terminal building will be closed to the public for Christmas Dec 24-26, as well as on Jan 1st., however staff remain on call for emergencies and urgent situations.

Respectfully submitted,

Jamie Crosbie
Airport & Facilities Manager
Brantford Flying Club
Brantford Municipal Airport
