4.0 Background

The Brantford Accessibility Advisory Committee met on January 16, 2025. At the meeting, the Committee approved the above recommendation requesting \$10,000 from the Council Reserve Fund for the implementation of the City of Brantford Accessibility Education Campaign for 2025.

Council has authorized the creation of many reserves that are held by the City for various uses. In order to clarify which Council reserve the funding is being requested from, staff would suggest that Recommendation C be amended as follows:

“THAT the release of funds in the amount of \$10,000 from the Council Priorities Reserve (RF0558) for the implementation of the campaign, BE APPROVED.”

5.0 Conclusion

The Brantford Accessibility Advisory Committee are seeking support from City Council to direct staff to release funds from the Council Reserve Fund to support the Accessibility Education Campaign for 2025.
