4.0 Purpose and Overview

The purpose of this report is to inform Council of the next steps required for the City of Brantford and County of Brant to host the 2021 Ontario 55+ Winter Games (the "**Games**"), including the completion of a Local Agreement between The Corporation of the City of Brantford and The Corporation of the County of Brant that outlines the roles and responsibilities of each with respect to hosting the Games. This report also acknowledges the establishment of the Games Organizing Committee and approved delegated authorities in order to facilitate the hosting requirements of the event.

5.0 Background

In 2017, Council approved staff reports CD2017-096 and CD2017-170 regarding the City of Brantford and County of Brant's bid submission to co-host the Ontario 55+ Winter Games from February 11-13, 2021. In May 2019, Council approved staff report 2019-251 which authorized the General Manager of Community Development to execute an agreement between the Province, as the Funding Agency, and The Corporation of the City of Brantford and The Corporation of the County of Brant, jointly and severally, as the Recipient (the "**Transfer Payment Agreement**"). The Transfer Payment Agreement started the process to receive funding for the administration and delivery of the Games, which includes a requirement for the creation of a Games Organizing Committee.

The next steps towards hosting this Games is the signing of an agreement between The Corporation of the City of Brantford and The Corporation of the County of Brant, which will establish the Games Organizing Committee, as well as allocate responsibilities between the City and the County (the "**Local Agreement**").

5.1 About the Ontario 55+ Winter Games

The Ontario 55+ Games is a celebration of active living that is hosted every year (alternating between Winter and Summer) for individuals 55 years of age or older. The Ontario 55+ Winter Games are hosted during odd numbered years.

Taking place over three days and two nights, the Ontario 55+ Winter Games has a preliminary operating budget of \$505,100, which includes both purchased and in-kind contributions. Expenses include accommodations, food services, facility rental, special events, marketing, translation services, and administration expenses, which will include 1.5 FTE contract staff to assist with the coordination of the event. Revenues for the Games will consist of a \$210,000 hosting grant from the Province, plus registration fees, a financial contribution from the County of Brant, sponsorships, souvenir sales, tradeshow revenue and in-kind services. Where possible, staff will also seek to leverage additional grant funds from other sources. The City also committed \$15,000 from the Economic Development and Tourism Marketing Reserve Fund which will contribute to the overall costs of operating the Games.

Over 1,000 athletes, games officials, and guests from across Ontario will participate in 10 different sporting events including: alpine skiing, curling, ice hockey, Nordic skiing, prediction skating, table tennis, 10 pin bowling, volleyball, badminton and duplicate bridge.

6.0 Corporate Policy Context

Hosting major sporting events such as the 2021 Ontario 55+ Winter Games aligns with the recommendations of the Economic Development & Tourism Strategy (2016), which recommends continued support for the growth of sport tourism through the strategic marketing of new municipal sports infrastructure and bid and hosting opportunities. It also aligns with the recently approved Municipal Sport Tourism Strategy (2019) to foster partnerships and build Brantford's reputation as an exceptional sport hosting community.

7.0 Input From Other Sources

The preparation of this report involved staff input from the City's Legal, Risk Management and Clerks Department, as well as input from the County of Brant.

8.0 Analysis

8.1 Local Agreement

The Transfer Payment Agreement outlines several hosting requirements that the Recipient (host community) must fulfill. As the Recipient is two municipalities (Brantford and the County of Brant) the Local Agreement is necessary to outline the roles and commitments of both parties, including the following information:

- Competition facilities and services required to host the Games
- Recruitment of volunteers and hiring of Games staff
- Event administration and coordination of meetings
- Financial and in-kind support
- Budget, purchasing requirements and financial controls
- Reporting procedures and records maintenance
- Legacy planning
- Signing authority

With respect to signing authority, the Local Agreement requires the City to designate an individual, or individuals, to have signing authority for Games-related rental agreements, service contracts and related operational agreements

that are within budget, where not already authorized by existing City policies or by-laws. As a result, this report recommends designating the Manager of Tourism, Culture and Sport as the authorized signing authority on behalf of the City.

8.2 Games Organizing Committee

The Transfer Payment Agreement also requires that a Games Organizing Committee be established, and sets out various requirements for the Games Organizing Committee to establish, including but not limited to the composition and subcommittees. The Local Agreement serves to establish the necessary Games Organizing Committee, address the related requirements of the Transfer Payment Agreement, and to determine procedural matters for the governance of the Games Organizing Committee and related sub-committees.

8.3 Chapter 15, Municipal Code (Procedural Bylaw)

One of the functions being allocated to the County of Brant is the clerking duties associated with the meetings of the Games Organizing Committee. As a result, it has been considered prudent that such meetings, except to the extent that those procedures are governed by the Agreement itself, be governed by the County's Procedural By-law. However, Chapter 15 of the City's Municipal Code currently states that it shall apply to, among other things, any Task Forces created by Council. The Games Organizing Committee meets the definition of a Task Force as contained in the Chapter.

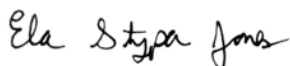

In order to address this issue, both for purposes of the Games Organizing Committee, and any future committees, task forces, or other governing bodies for which it is considered inappropriate for Chapter 15 to apply, it is being recommended that the Chapter be amended to permit the non-application of the Chapter where Council so authorizes. A draft by-law to effect this change is attached hereto as Appendix "B".

9.0 Financial Implications

The City has already approved its financial and in kind contributions to the Games. As a result, there are no financial impacts associated with this report, which ultimately serves to implement procedures in order to give effect to prior Council directions. Once the Local Agreement is signed by both the City of Brantford and the County of Brant, staff will be able to proceed with fulfilling the remainder of the requirements in order to receive the first installment of the hosting grant from the Province.

10.0 Conclusion

The City of Brantford and County of Brant are looking forward to hosting an exceptional 2021 Ontario 55+ Winter Games in February 2021. Approval of the recommendations in this report will allow staff to proceed with finalizing the Agreement with the County of Brant as quickly as possible so that important work can begin on engaging both communities in preparing for the Games.
