

# Film Legacy Projects

## Dear (Production Company),

Thank you for choosing the **City of Brantford** as the location for your latest film project. We embrace the opportunity to showcase Brantford on the big and small screen, and we hope that you enjoyed your visit.

In the past, we have had several production companies inquire about ways they can donate back to, and improve, our community. These types of legacy projects allow productions to leave a positive impact in the community long after they leave. Past productions and legacy projects include:

- *All-Round Champion*, 2019 – covered costs related to the repainting of the lower diving platforms, replacing the rubber mat around the pool's edge and power-washing decks at the Wayne Gretzky Sports Centre
- *Awake*, 2019 - \$5,000 donation which the City of Brantford used to fund Brantford's [Grand Exhibit](#) Public Art Project
- *The Handmaid's Tale*, 2018 – paid for the cleanup on both sides of the banks of the Grand River at Brant's Crossing

## We would be delighted if you would consider donating to one of our ongoing projects:

- City Hall Public Art Project
- Ghost light installation at Brantford's historic Sanderson Centre for the Performing Arts
- Monetary donation to one of our local museums, galleries or performing arts groups
- Other suggestion

Thank you again. Please do not hesitate to reach out to us with any questions or concerns at [film@brantford.ca](mailto:film@brantford.ca) or **call 519-751-9900** and ask to speak to a film liaison.

Sincerely,

**Kara Davey**, Arts & Culture Development Officer

**Kevin Dekok**, Economic Development Officer  
Economic Development & Tourism Department, City of Brantford
